Bumping Pumpkins

The pixies like to grow pumpkins.

The goblins do not because it is too much bother. What will the goblins do when they see the lovely, big pumpkins grown by the pixies?

Bumping Pumpkins

By Heather Pindar

Illustrated by
Amy Lane

Pixies like pumpkins. They make them into lanterns. The pumpkins light up the dark winter nights.

Goblins like pumpkins too.

In the spring, the pixies in the Deep Wood
planted their pumpkin seeds.

The goblins on the High Hill did not.
It was too much bother.

All summer, the pixies
looked after their little
pumpkin plants.

The goblins did not.
