My granny is amazing!

She has pink hair and likes to wear sparkly things.

Granny loves telling me stories. She is very good at making them up. Sometimes she pretends she used to work at a circus. Granny says she used to juggle ten balls at the same time and could walk across a very thin wire. But I know she couldn't have done that. It's far too hard!

She is very funny and always makes me laugh.
I love being with Granny, so I see her as much
as I can.

Sunday is the best day of the week for me
because that is when Granny and I have our
days out. Sometimes she takes me to the park
at the end of the road.

We have been to the shops lots of times, and I loved it when she took me to the zoo. But, the best day of all was when we visited the circus.

The stripy circus tent was covered in flags, and it smelt of popcorn and candy floss.

“Roll up, roll up,” said a man with a big hat and a red coat. “Come and see the best show on Earth!”
