I like to play online
games on Saturdays.
My favorite game is **DRAGON MASTER**.
I can't beat the last dragon.

“Go play outside, Albert,”
says Mum.

I go to Lake Windermere.
It's windy. Suddenly, there are
purple clouds in the sky.

A dragon **pops out** from the water!

I run

and hide.

The dragon says, "Are you going to hurt me?"

"Hurt you? You're a dragon!

Don't you eat people?" I ask.

Eat people? **Yuck!**
