

What Is It?

Level
1

John D. Smith

My name is Rex. I love
going for a walk. And I
love birds, don't you?

Look at that bird!
What is it?

Tweet, tweet!

It's a robin.

COUNT & THINK

How many trees do you see? Do only birds live in trees?

Look at that bird!
What is it?

For Review Only

SPEAK

What's the weather
like in this picture?
How do you know?

It's a crow.

Caw, caw!

Look at that bird!
What is it?

For Review Only

ACT

Be an owl with
big eyes and say
“Whoo, whoo!”

It's an owl.

Whoo, whoo!

The Remarkable Robin

Robins live in Europe and North America. They have about 2,900 feathers and are famous for their beautiful singing.

They also lay special blue eggs.
This unique color protects the
eggs from the hot sun!

1. Match the pictures on the left to those on the right.
Can you complete the names of the four birds?

rob _ _ n

_ _ w l

roost _ _ r

cr _ _ w
