A New Name

I'm Snow White, and I'm looking for a new name. I think using rhyme would be a fun way to pick my name. A rhyme is a word that sounds like another word. Here's how you can help!

1. Make a list of words that rhyme with "snow."

2. Make a list of words that rhyme with "white."

3. Pick a word from each list and put them together to create my new name. For example, I could be "Flow Bright" instead of "Snow White."

4. Make at least three new names for me.

1. Why was the queen mad at Snow White?

2. How do you think Snow White felt when the hunter left her in the woods?

3. Were you surprised by the ending of this story? Was it different from other versions of Snow White that you have heard or seen?
