In This Book:

You will find two-syllable words with long vowel sounds.

Moonlight is one of these words. It has two syllables: **moon** and **light**. **Light** has a long i sound. Can you find the two-syllable words with long vowel sounds on each page?

The Moonlight Parade

The moon rises. Wiley the Werewolf is going to the Moonlight Parade. So are other scary creatures.

Moonlight Parade
meets here

Vinnie the Vampire describes what they will do. “When we arrive at a place that has two syllables and a long vowel sound in its name, we will all make scary noises,” she says. Wiley practices his howling.

The parade arrives at the corn maze. Wiley prepares to frighten.

“The words ‘corn’ and ‘maze’ each only have one syllable,” explains Vinnie. “You’ll be able to howl later.”

The creatures follow Vinnie to the pumpkin patch. A lonely scarecrow watches over the field under a glowing yellow moon. Wiley tiptoes slowly toward two children.

“Be patient,” Vinnie says.

“The words ‘pumpkin’ and ‘patch’ have short vowels.”

“Waiting isn’t easy,” Wiley complains as they walk away.
