

Earthy Goes to Sea

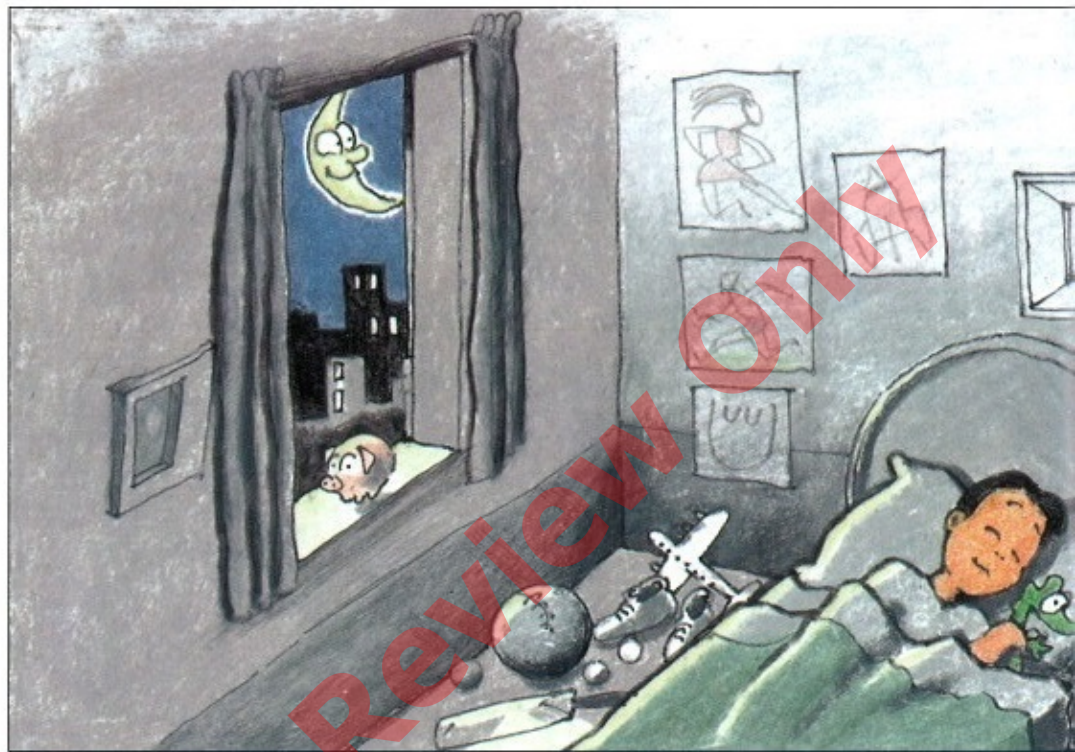

Written and illustrated by Gavin Coates

Stanford House

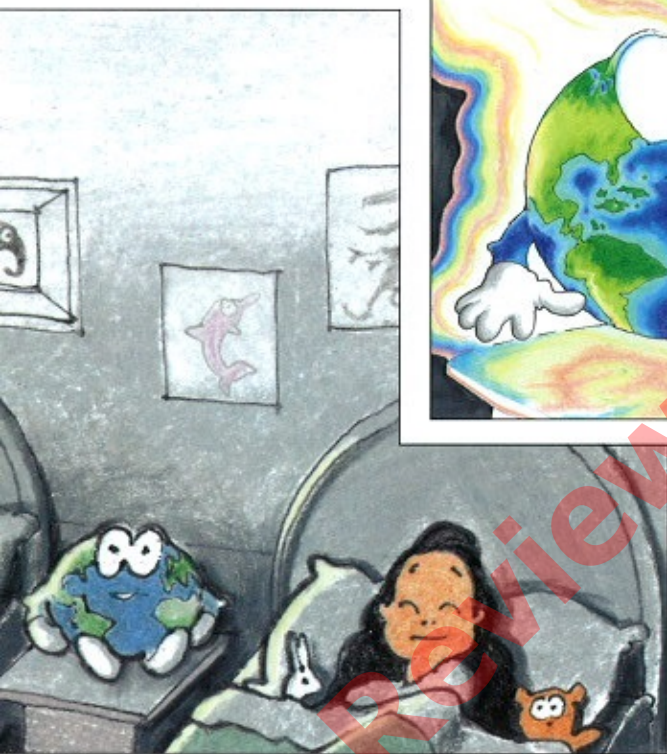

Mum and Dad give a cuddly
planet Earth to Joe and Alice.
"Oh! Thank you!" says Alice.
"Let's call it Earthy!" says Joe.

Joe and Alice fall asleep.

The moon is shining through
the window.

A shaft of magic moonlight shines on Earthy. Earthy comes to life!
"I wonder if these children can help me," whispers Earthy.

Joe and Alice wake up.
"Earthy! You're alive and
getting bigger!" cry the
children.

"I'm going to take you on an adventure," replies Earthy.

"I'll show you somewhere in
the middle of my ocean,"
booms Earthy.

Q1. How does Earthy come to life?

Q2. How do the children breath
under the sea?

Q3. Why are the sea animals
in trouble?

Q4. Who can help stop the
pollution?
