Hi! My name's Jessica. I'm a student at Kingsfield Primary School. Every afternoon I do my homework and I don't help around the house. But at the weekends I haven't got any homework, so I help my parents. Every Saturday morning I go to the supermarket with my mum. In the afternoon I always clean my room, but I never water the garden. On Sundays I always do the washing-up after dinner, but I never take out the rubbish. **HOW BORING!**

Now, there's Julie. She usually does her homework in the evening, but today she's helping a neighbour. She's taking out Mrs Brighton's rubbish. The rubbish bags aren't heavy.

Who's that? Oh, it's Joe. He's helping Mrs Wilm. They're painting her house. Joe doesn't like painting, but today is a special day.

Kevin usually goes shopping on Saturdays, but today he's helping a young neighbour, Sally. Kevin is fixing her bike.
