1. Read and listen. Write the names in the picture.

Bruce Donna Colin Gabby

Colin and Bruce live in Silverstone. They go to Silverstone Primary School. They're in the school library now. They're thinking about articles for the school newspaper. "Look, there's Donna!" says Bruce. "But she's not alone. Who's that girl with her?"

2. Answer the questions. Circle *a* or *b*.

- What are the boys doing in the library?
 a. They're working on the school newspaper. b. They're doing their homework.
- Who is the new girl?
 a. Donna b. Gabby
- Where is Gabby from?
 a. the UK b. Brazil
- Who has got a great idea?
 a. Donna b. Bruce
- What is Gabby going to write about in the article?
 a. Her life in Brazil. b. Her life in the UK.
- Who is going to help Gabby with the article?
 a. Colin b. Donna

LESSON 2

1. Listen and read.

Mr Hart is the English teacher and the editor of the school newspaper. Gabby wrote an article about her life and she is showing it to Mr Hart.

Well done, Gabby.
Well done!

editor
reporter
join
mean (v)
grow up
write → wrote

2. Read Gabby's article and complete it. Write 1-4.

1. You see, my father is a football player.

2. I made new friends.

3. It's a beautiful city by the sea.

4. All my friends were there.

Silverstone News

A NEW HOME AND NEW FRIENDS

Hello everyone at Silverstone Primary School! My name is Gabriella da Costa, but everyone calls me Gabby.

I'm from Rio de Janeiro in Brazil. **a** Rio de Janeiro means 'River of January'. The funny thing is that there aren't any rivers in Rio!

Three months ago I came to the UK with my family. **b** He's going to play for a British team for the next two

years. In the beginning, I didn't want to leave Brazil. **c** When I came here everything was different - the people, the language and even the weather. I just wanted to go back home.

Then, school started and things got better.

d I joined the school newspaper and this is my first article. You see, I want to be a reporter when I grow up!

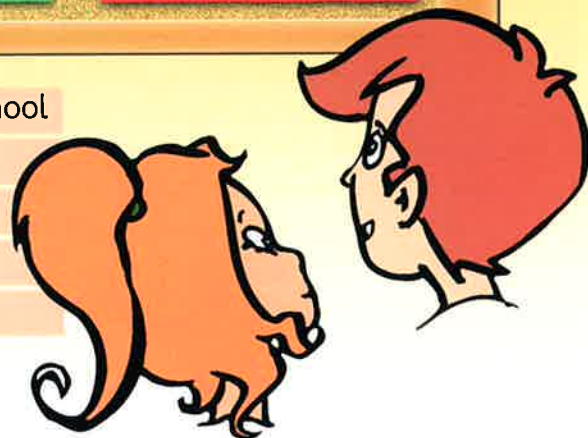

3. Read and find the words/phrases.

- Gabby's full name:
- Gabby's nationality:
- What Gabby and her family did three months ago:
- What Gabby's father does:
- The things Gabby found different in the UK:
- What Gabby wants to be when she's older:

1. Listen and write 1-5.

- 1 Julia Strindberg: a famous writer visits school
- 2 School Music Festival
- 3 Short Story Competition
- 4 School trip to the planetarium
- 5 Sports Week

2. Look at activity 1. Ask and answer.

What are they going to do in October?

They're going to have a Halloween party.

3. Discuss the special events that are going to take place at your school this year.

LESSON 4

decide
interview (v)

2. Listen and check your answers.

3. Ask and answer.

postman
taxi driver
pilot
flight attendant
nurse
doctor
dentist
football coach
firefighter

Where do you work?

What do you do?

You're a nurse.

I work in a hospital.

I look after ill people.

That's right!

1. Read and match the pictures with the paragraphs.

Information is everywhere

Hundreds of years ago, news didn't travel fast. It took days, weeks, even months for news to get from one place to another. Today news travels very fast. There are many different ways you can get information.

You can read newspapers and magazines. Today in America there are 1,700 daily and 6,800 weekly newspapers.

You can listen to the radio. In America, there are 8,367 radio stations.

You can watch TV. You can find out about events that happened just a minute ago! Today, there are more than 500 million homes around the world with TV sets!

You can use the Internet. The Internet is an amazing world of information. There are millions of websites you can visit and find out what you want to know.

2. Find the word or phrase.

1. It travels fast today.
2. They come out every day or week.
3. There are more than 8,000 of these in America.
4. The number of homes around the world with TV sets.
5. There are millions of them on the Internet.
