What Does Winter Look Like?

Do you feel the cold air? A new season is here! The new season is winter. Snow covers the ground in some places.

▲ Winter is a cold season.

For teachers' inspection ONLY

The weather gets colder in winter. What clothes do people wear in winter? People put on warm clothes to go outside.

◀ Kids have fun sledding in winter.

For teachers' inspection ONLY

Some animals go underground.
Some animals go into caves.
These animals stay inside
and sleep until spring.

▲ Chipmunks sleep in winter.
Chipmunks do not eat or drink.

For teachers' inspection ONLY

Some animals find a new home in winter. These animals go to a warmer place where they can find food.

▲ Many birds fly a long way to find food.

How Does Winter Change to Spring?

The snow and ice begin to melt. Soon, the days are longer. The weather is warmer, too.

▲ Some birds stay. These birds can live in the cold.

For teachers' inspection ONLY

The season changes. Soon, a new season is here. The season is spring!

▲ Spring can be a wet time of year!
