A Day at the **Beach**

We are at the beach.

The water is blue.

We can see little waves.

The sand is soft to walk on.

We put our bags down.

Dad puts up the umbrella.

Mum gets the rug out.

Nell and I take off our tops,
and our sandals.

The sand is hot on our feet.

The sun is hot too,
but the water looks cool.
Nell and I go for a swim.
