Preview only

Have you been on a boat?

Boats can take you over the water.

For Review Only

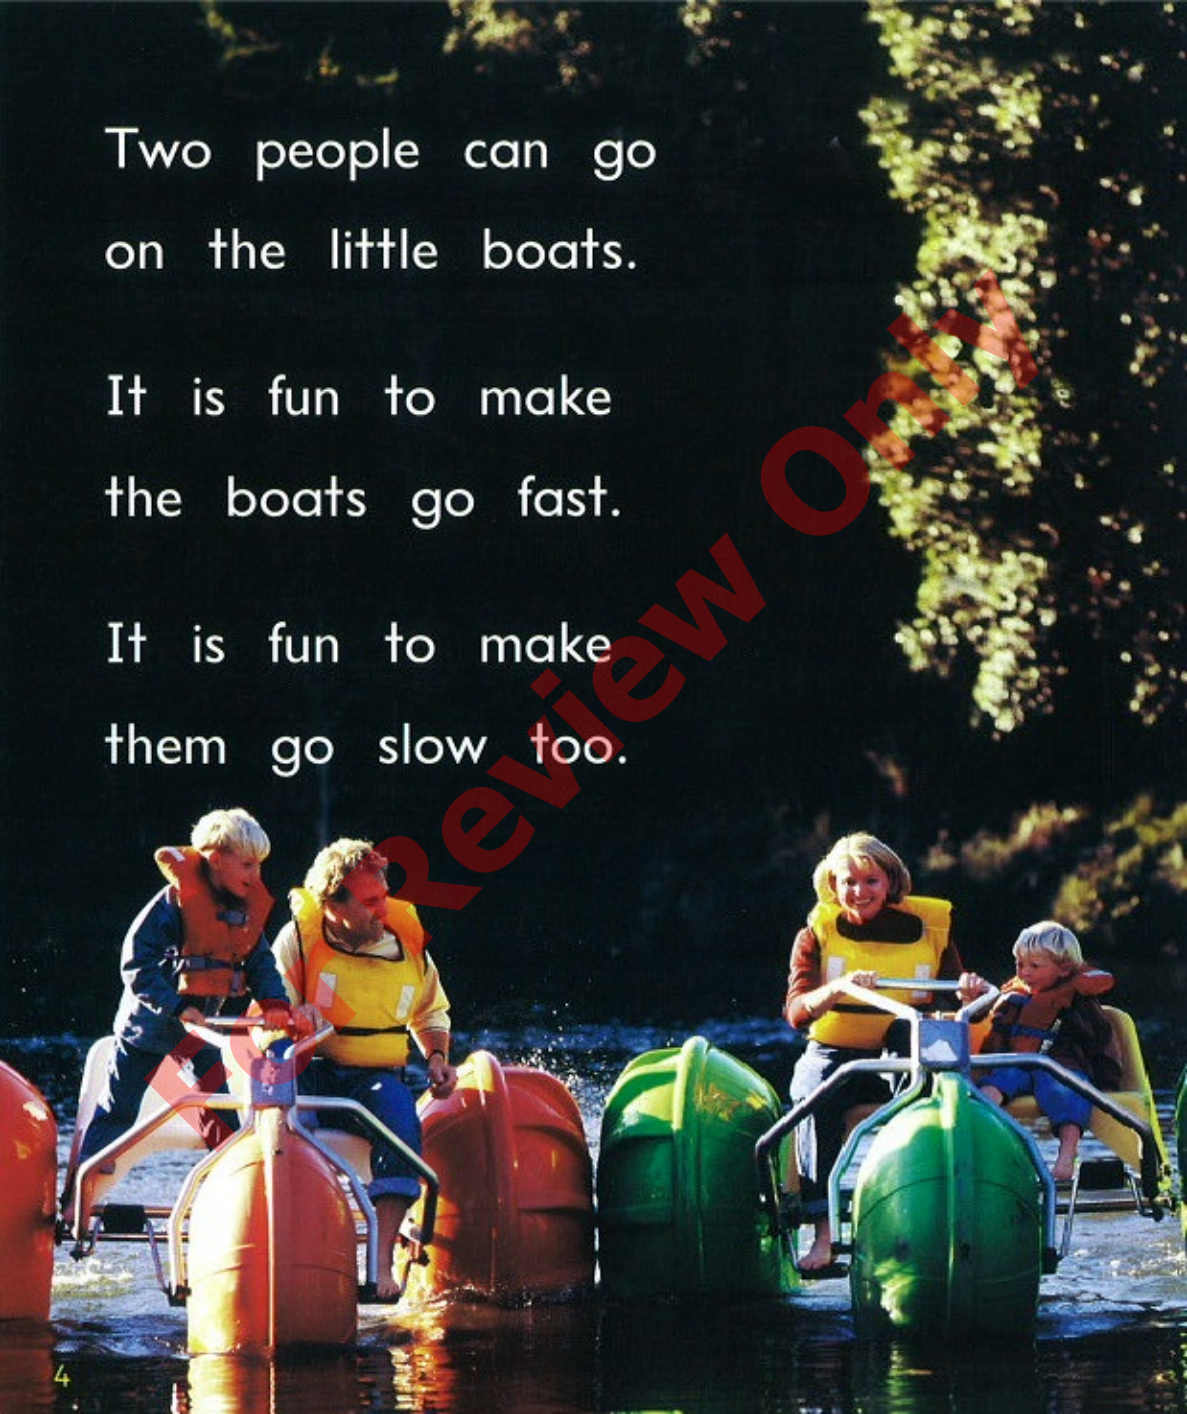

You can see boats on the sea.

You can see boats on rivers and lakes too.

For Review Only

Two people can go
on the little boats.
It is fun to make
the boats go fast.
It is fun to make
them go slow too.

Review Only

Lots of people can go on this big boat.

This boat goes on rivers and lakes.

For Review Only

Some boats go very fast.

The wind pushes
this little boat along.

For Review Only

Big boats can go very fast too.

The waves on the sea make the boats go up and down.
