For Review Only

I am going to the beach
with my big sister, Mai.
We are going to make a sandcastle.

For Preview Only

We need:

wet sand

buckets

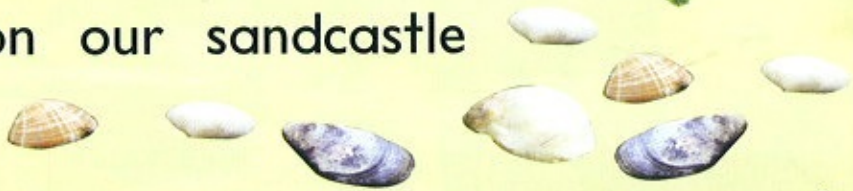

spades

things to put on our sandcastle

For Review Only

First, we find a good place to make our sandcastle.

For Review Only

Then we put our buckets and spades down.

For Review Only

We dig down to get some wet sand for our castle.

For Review Only

We make the bottom of the castle with the wet sand.

We pat the sand with our hands.

The bottom of our castle is big and flat.
