Shells

For Review Only

By Julie Haydon

My aunty and I like shells.

We look for shells on the beach.

For Review Only

We see shells on the sand.

We see shells under the water.

We see shells on the rocks.

For Review Only

Shells are lots of shapes.

This shell
looks like a fan.

This shell looks like
a little hat.

For Review Only

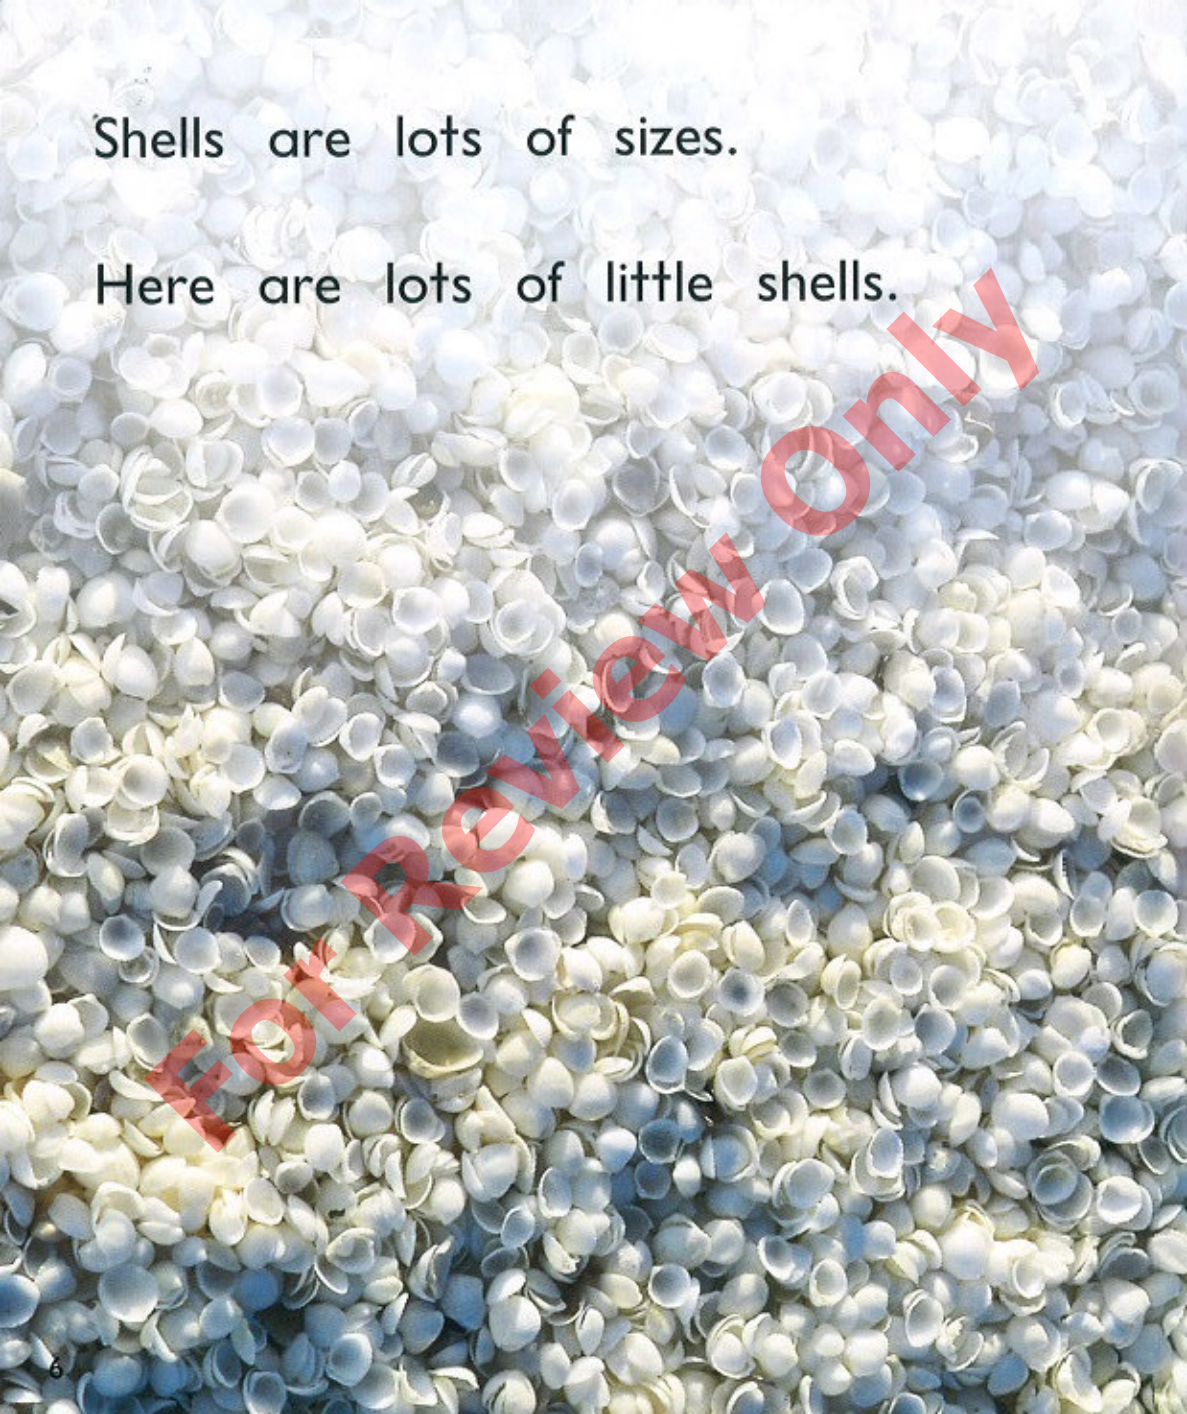

This shell looks like an egg.

This shell looks like an ice-cream cone.
