On Saturday, Annie said, "Oh, good!
We are going to the beach today.
I like staying at the beach!
We can swim every day,
and we can go fishing too!"

"Yes," said Mum.
"A holiday at the beach will be fun!"

"Kitty can come to the beach too,"
said Annie. "He loves fishing.
He is always trying to get our goldfish!"

"No," said Mum.
"Kitty will run away at the beach.
We will put him in the cat box
and take him to the cattery."

"Oh!" said Annie.
"Kitty is scared of the cat box!"

After breakfast, Annie said,
"Look, Mum! Kitty is asleep!
Let's get the cat box now."

Mum got the cat box from the shed.
