Our Vegetable Garden

Heather Hammonds

For Review Only

Look at all these vegetables!

Amber and I like to eat vegetables.

I like to eat beans and lettuce.

Amber likes to eat tomatoes and pumpkin.

For Review ONLY

Mum helped us
to grow these vegetables.

We ate our beans and lettuces.
We ate our tomatoes
and pumpkins too!

Our vegetable plants needed

- soil

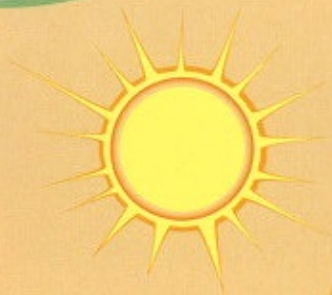

- plant food

- water

- sun

to help them grow.

For Review Only

We made a vegetable garden at home.

Amber and I dug the soil.

Mum gave us a pot for the tomato plant.

She gave us some plant food too.
