When Tommy woke up,
the sun was shining,
and the river was outside his door!

Mrs White was sitting in the kitchen.

"I had to rescue Mrs White," said Dad.
"The river is inside her house,
so I had to bring her to our house."

Mrs White didn't look happy.
"Where is Mr Black?" she said.
"Where is Mr Black?"

"She has said that over and over," said Mum.
"I don't know anyone called Mr Black."

"I know Mr Black," said Tommy.
"He will be scared of the water.
He could be hiding."

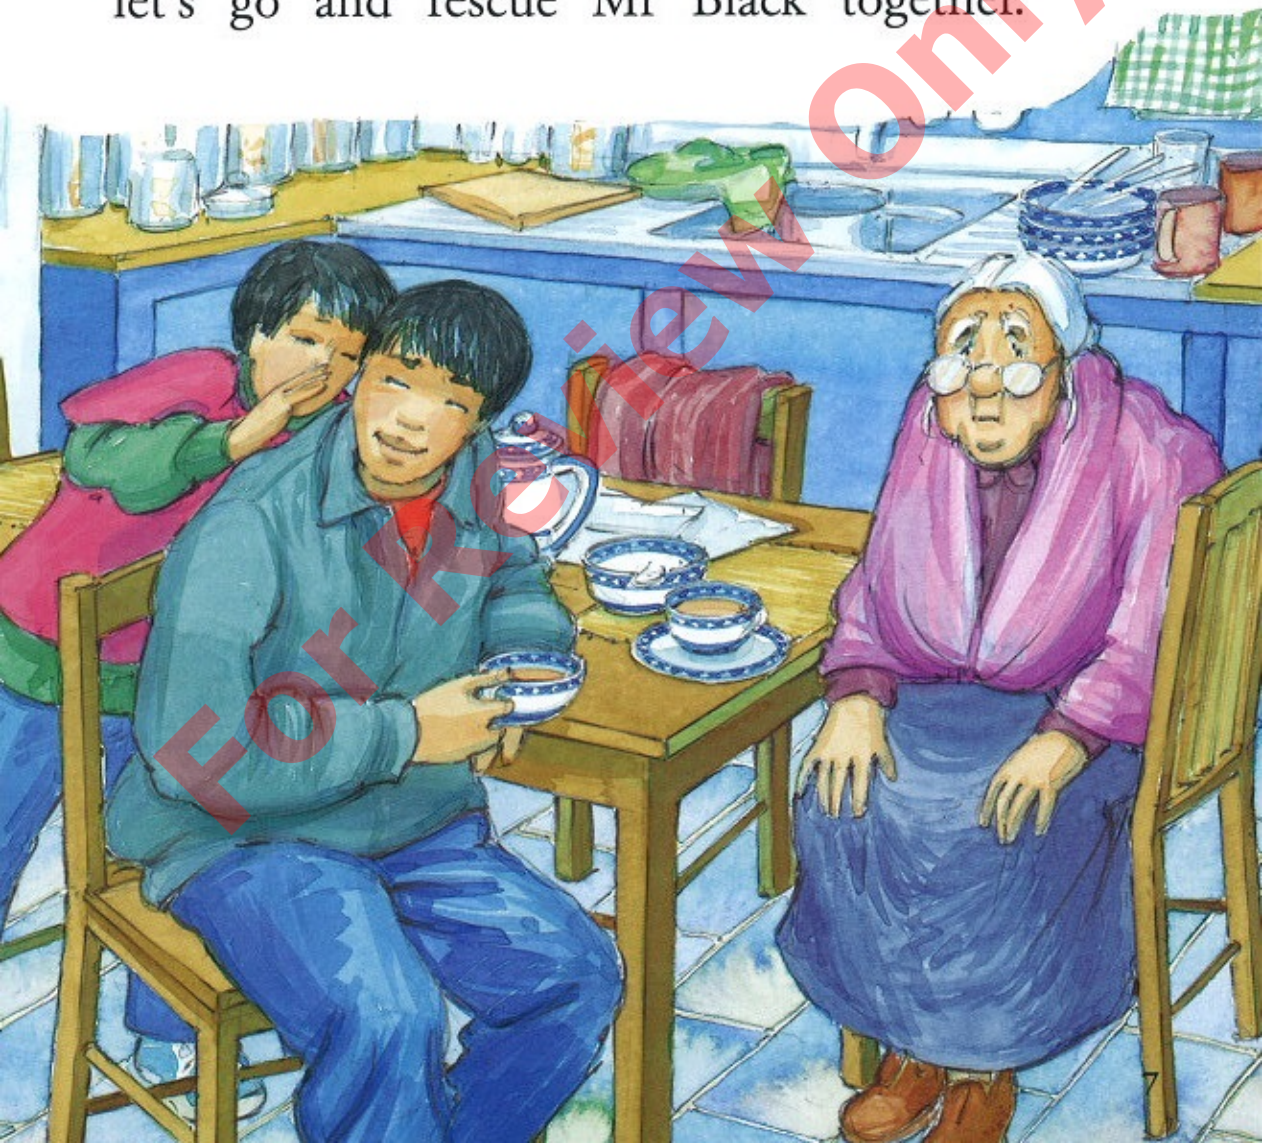

"Goodness!" said Mum.
"I am surprised that a man
would hide from the water."
