Chapter 1

Music for Everyone

Everyone likes music.

We can listen to music.
We can play music too.

For Review Only

Music can be played
by one person
or by lots of people.

Music can be played on **musical instruments.**

*These **musical notes***
are played
on musical instruments.

Chapter 2

Music from Strings

Some musical instruments have strings.

Music comes from the strings when the musical instruments are played.

banjo

For Review Only

This boy is playing the guitar.
His **music teacher** is showing him what to do.

For Review Only

This guitar has six strings.

This musical instrument has strings too.
It is much smaller than a guitar.

violin

For Reference Only

All these musical instruments have strings.

double bass

cello

viola

Did you know that a piano has strings inside it?
