Chapter 1

Homes on Wheels

Have you ever seen a home on wheels?

Caravans,

camper-trailers

and motorhomes

are all homes on wheels.

For Review Only

Homes on wheels can be moved from place to place.

You can live in them for a few days, when you are on holidays. Or you can live in them all the time.

Caravans, camper-trailers and motorhomes are also called RVs, or **recreational vehicles.**

For Review Only

Caravans

Caravans are pulled along by a car or truck.

Some caravans have two wheels.

Some caravans have four wheels.

Some caravans have a **pop-top**. The pop-top makes the caravan bigger inside.

For Review Only

Camper-trailers and motorhomes

Camper-trailers are pulled by a car or truck too. The top of the camper-trailer is put up when it is not being pulled along.

Motorhomes are not pulled by a car or truck. Motorhomes have their own **engines**.

When a caravan or camper-trailer is pulled along by a car or truck, it is being **towed**.

Chapter 2

A Look Inside

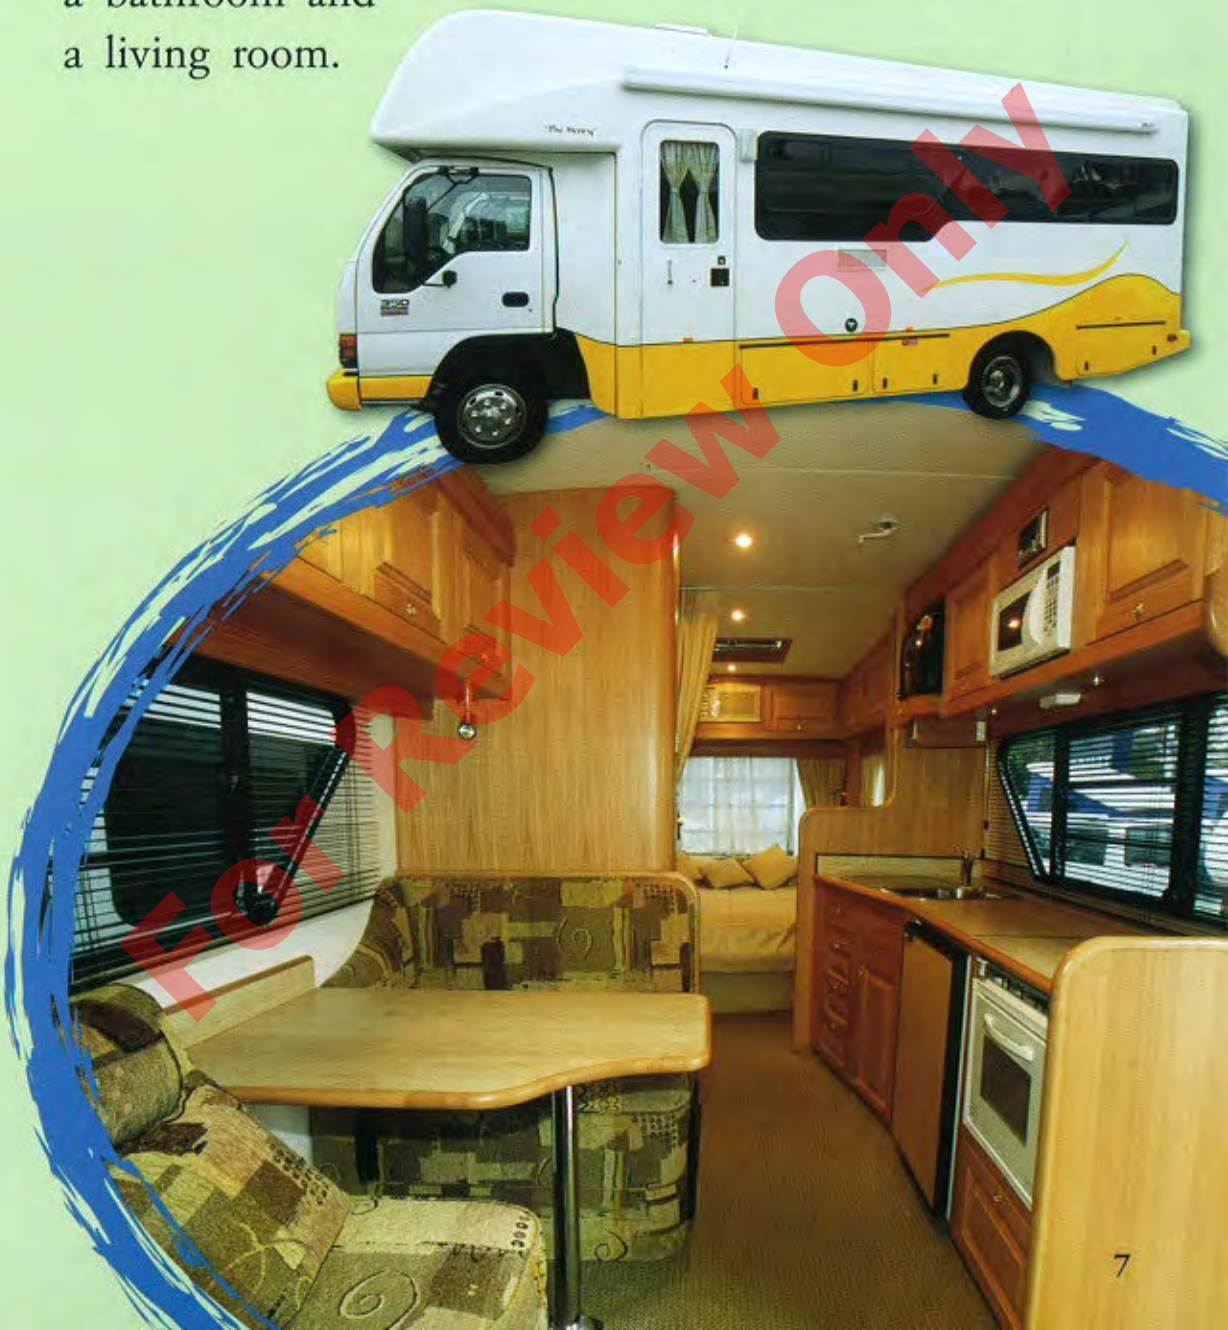

All caravans, camper-trailers and motorhomes have a place to sleep and eat inside them.

This small caravan has a stove for cooking. It has cupboards and a table, and a seat that turns into a bed.

For Review Only

This big motorhome has a bedroom, a kitchen, a bathroom and a living room.
