Down by the Sea

PM+

Story by Joan Jarden

Illustrations by Susy Boyer Rigby

For teachers' inspection ONLY

Meg's gran had a house by the sea.

"Look, Meg!" said Gran.

"The waves are little, today.

I can take you to see

the rock pools."

"Oh, good!" said Meg.

For teachers' inspection ONLY

Meg and her gran
went for a walk on the rocks.

They looked inside the rock pools.
Gran saw some baby shells.
Meg saw some little black fish.

A big boat went by.
