For teachers' inspection ONLY

The children made some hats.

"I like your hat, Meg," said Ben.
"It looks like a bird!"

The teacher said,
"I like all of your hats.
They look **beautiful**."

"Can we have a hat day at school?"
said the children.

"Yes," said the teacher.
"Your mothers and fathers
can come and see your hats
on Friday.
They can have hats on, too."
