Little Chimp ran along, too.
He saw a brown hill
and he stopped to look at it.

Mother Chimp said,
"There are a lot of termites
inside that brown hill.
I'm going to catch some."

Mother Chimp
went to find a stick.
"Look at this,"
she said to Little Chimp.

They went back
to the brown hill.
Little Chimp saw
some tiny holes
in the hill.
