Sam patted Bingo.

"Your hair is long, Bingo," she said.

"I can't see your eyes."

Mum laughed.

"Look in the mirror, Sam," she said.

"**Your** hair is very long.

I will take you to have it cut."

After school,
Sam went with Mum
to have her hair cut.

"Hello, Sam," said the hairdresser.
"Climb up here on this big chair.
I will cut your hair for you."

Sam looked at Mum
and she looked at the hairdresser.

"I **like** long hair," said Sam.
"All the girls at school have long hair.
My new teacher has got long hair, too.
I don't want
to have my hair cut today."
