For teachers' inspection ONLY

On Friday morning,
Katie came to school
with a caterpillar in a box.
She had some leaves in the box, too.

Katie said to Miss Park,
"I will look after this caterpillar.
Can it stay here in our room?"

"My caterpillar likes eating swan plant leaves," said Katie.

Miss Park said,

"Look under this leaf.
Here are some little white eggs.
Tiny caterpillars will come out of the eggs."

On Monday morning,
Katie came to school
with a swan plant in a pot.

"Look!" she said to Anna.
"Some little caterpillars
have come out of the eggs!
They can eat this swan plant, too."
