Food is Growing

Food is growing

All around.

Up in trees,

And on the ground.

The Pea Pod

For teachers' inspection ONLY

I opened up a pea pod,
And there inside I found
A row of seven little peas,
Green and sweet and round.

Alphabet Soup

For teachers' inspection ONLY

When I have a bowl of soup,

I always play a game.

I look around until I find

The letters in my name.

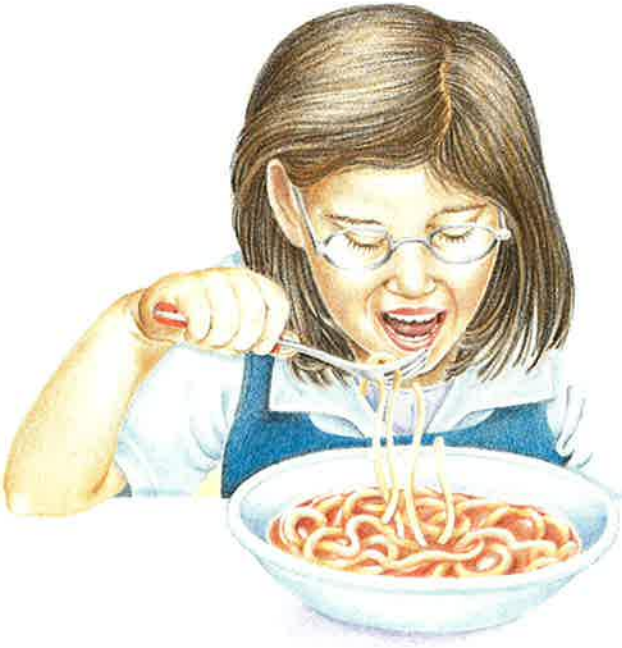

Spaghetti

Spaghetti is long.

It always drops.

It slips off my fork,

And down it flops.

Ducks Eat Worms

For teachers' inspection ONLY

Ducks eat worms,

and hens eat seeds,

Goats eat lots

of prickly weeds.
