Why we put on clothes

We **like** to put on clothes.

We put on warm clothes
when it is cold and wet.

We put on
other kinds of clothes
when it is very hot.

For teachers' inspection ONLY

There are clothes that stop us from getting hurt.

Clothes can help us to look good and feel good.

All kinds of clothes

There are many kinds of clothes.

For teachers' inspection ONLY

We have clothes to sleep in.

We have clothes to swim in.

Some children have clothes like this for school.

Clothes to keep us safe

Shoes and boots help to stop our feet from getting hurt.

We put gloves on, to keep our hands warm.
