Zac was watching a rally car race on TV.

"Zac," said Mum,
"I want you to come with me
to the supermarket, please."

"Oh, Mum," said Zac.
"I want to find out
who wins this race."

"I'm sorry, Zac," said Mum.
"I need you to help me.
You will just have to tape the race."

At the supermarket,
Mum pushed the trolley,
and Zac picked the things
from the shelves for her.
Soon their trolley was full.

"We need a bag of potatoes,"
said Mum, "but I don't think
it will fit in the trolley."

"I'll carry it for you," said Zac.

When they left the supermarket, Zac was carrying the bag of potatoes in both arms.

Mum was walking just in front of him, pushing the trolley towards the car park.
