All kinds of big machines

People use all kinds of big machines
for having fun,
for playing sport,
and for going on holidays.

Machines like these are very exciting.

Motorbikes

Many people love motorbikes because they are fun to ride.

Motorbikes are much smaller than other vehicles, and can move quickly. They are easy to ride in the city.

For teachers' inspection ONLY

Motorbikes
are good for riding
out on the open road.

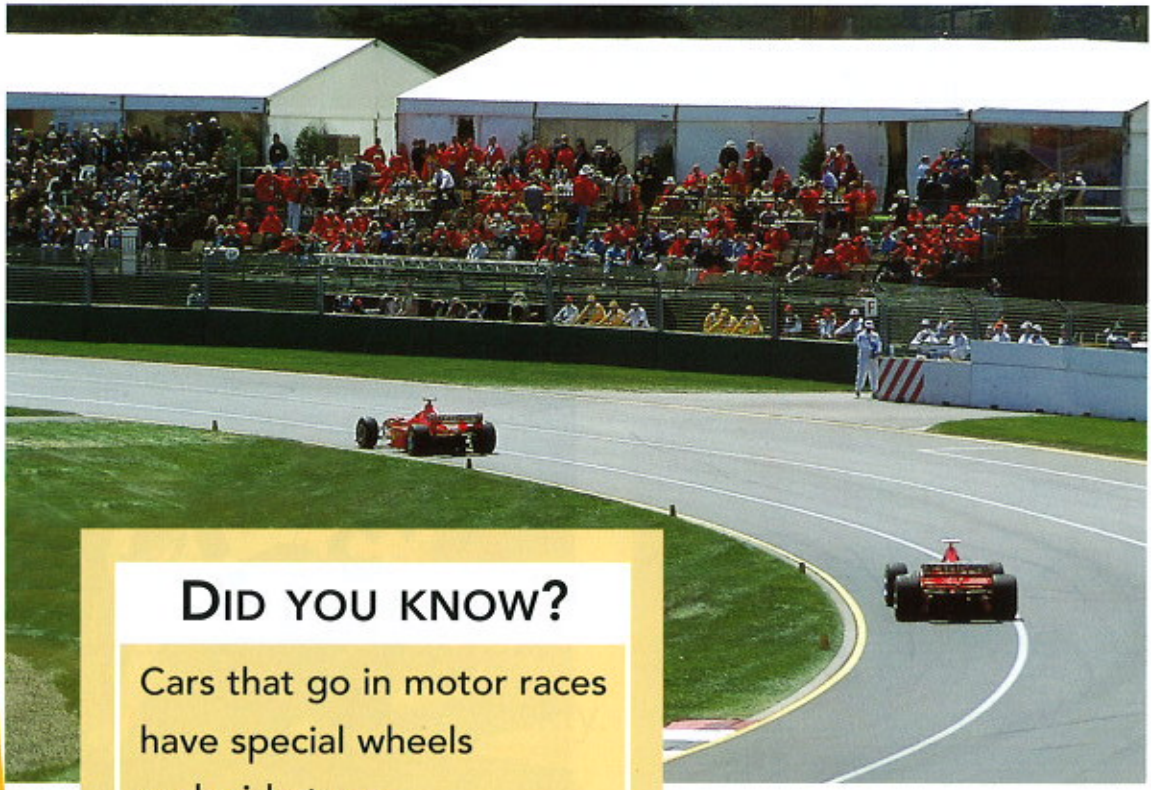

Some people
ride their motorbikes
in races, too.

Motor racing

Many people love to watch motor races. Fast cars speed around a race track.

DID YOU KNOW?

Cars that go in motor races have special wheels and wide tyres.
