Once upon a time, a King and Queen lived in a grand castle with their beautiful young daughter, Snow White.

But when Snow White was still a child, her mother died, and some years later her father married again.

The new Queen was very vain, and she spent many hours in front of her magic mirror. Every day, she would ask it,
"Mirror, mirror, on the wall,
Who is the fairest one of all?"

And the mirror would always reply,
"The Queen who lives in the castle grand
Is the fairest one in all the land."

The Queen was delighted to hear this.

As the years went by,
Snow White became
more and more beautiful.

One day, when the Queen asked,
"Mirror, mirror, on the wall,
Who is the fairest one of all?"
the mirror replied,
"Snow White who lives in the castle grand
Is now the fairest in the land."

The Queen was very angry.
She ordered a huntsman
to take Snow White
deep into the forest and kill her.

But the huntsman could not hurt
the beautiful Princess.
"Run!" he said to her.
"Run away and never return,
or the wicked Queen will kill you."
