Jolly Roger had a big box
with treasure in it.

"We like your treasure,"
said the bad pirates.
"We are going to take the lot."

And they did!

"We are going to take the ship, too," said Big Pirate.
"You can have the little boat."

The bad pirates
made Jolly Roger
get into the little boat.
"Here is your old box," they said.

Jolly Roger opened the box.
"The pirates did not take
my spyglass," he said.
"That's good."
