Mum put the phone down.
"That was Grandad!"
she said to Tessa and Alice.
"He is coming to stay with us
for two or three nights,
and he is on his way **now**!"

"But where will he sleep?" said Tessa.

"Grandad can have your room, Tessa,"
said Mum.

"But I want Grandad to have
**my** room," said Alice.
"My bedroom is better.
It's bigger."
