Dad said to Josh,
"I'm going for a run
down by the river."

"Can I come with you?"
said Josh.
"And can Scruffy come, too?"

Scruffy jumped up at Josh.

Dad laughed.

"Yes," he said.

"You can ride your bike

and Scruffy can come, too.

But he will have to be a good dog

and not run away."

Down by the river,

Dad ran slowly at first.

Scruffy ran slowly, too.

And Josh went slowly on his bike.
