"Dad!" shouted Jake.

"Can you see the car ferry?"

"Yes," said Dad.

"It's going to the big jetty where we went fishing."

"Can we go and see it?"
said Jake.

"Yes, we can," said Dad.
"But the jetty is a long way
from here.
It will be a long ride."

"I'm a good rider," said Jake.
"I can ride all the way
to the jetty."

Dad and Jake went down the path
by the beach.
