My Rock Collection

This is my **rock collection**.
I have big rocks
and little rocks.

For Preview Only

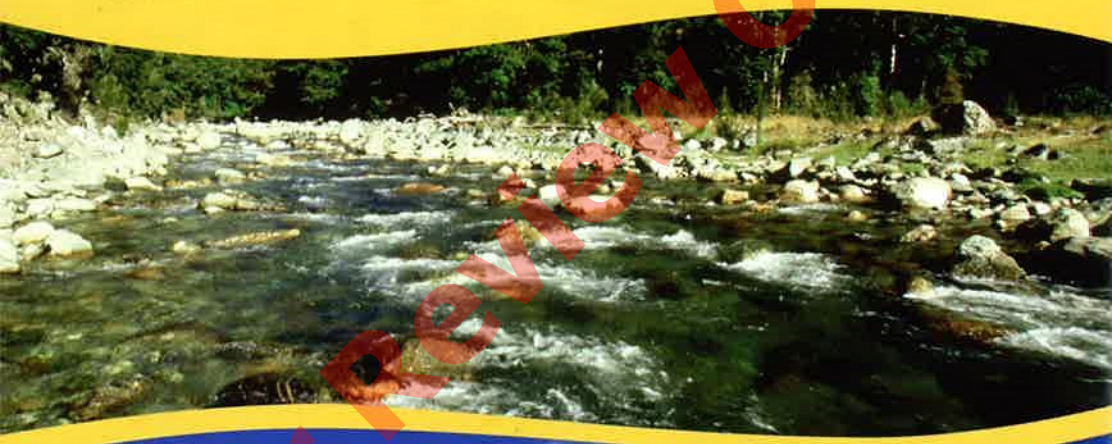

I got some rocks
from the garden.
I keep my rocks in a box.
I got some rocks
from a shop, too.

Rocks Everywhere

Rocks are all around us. There are little rocks in this river.

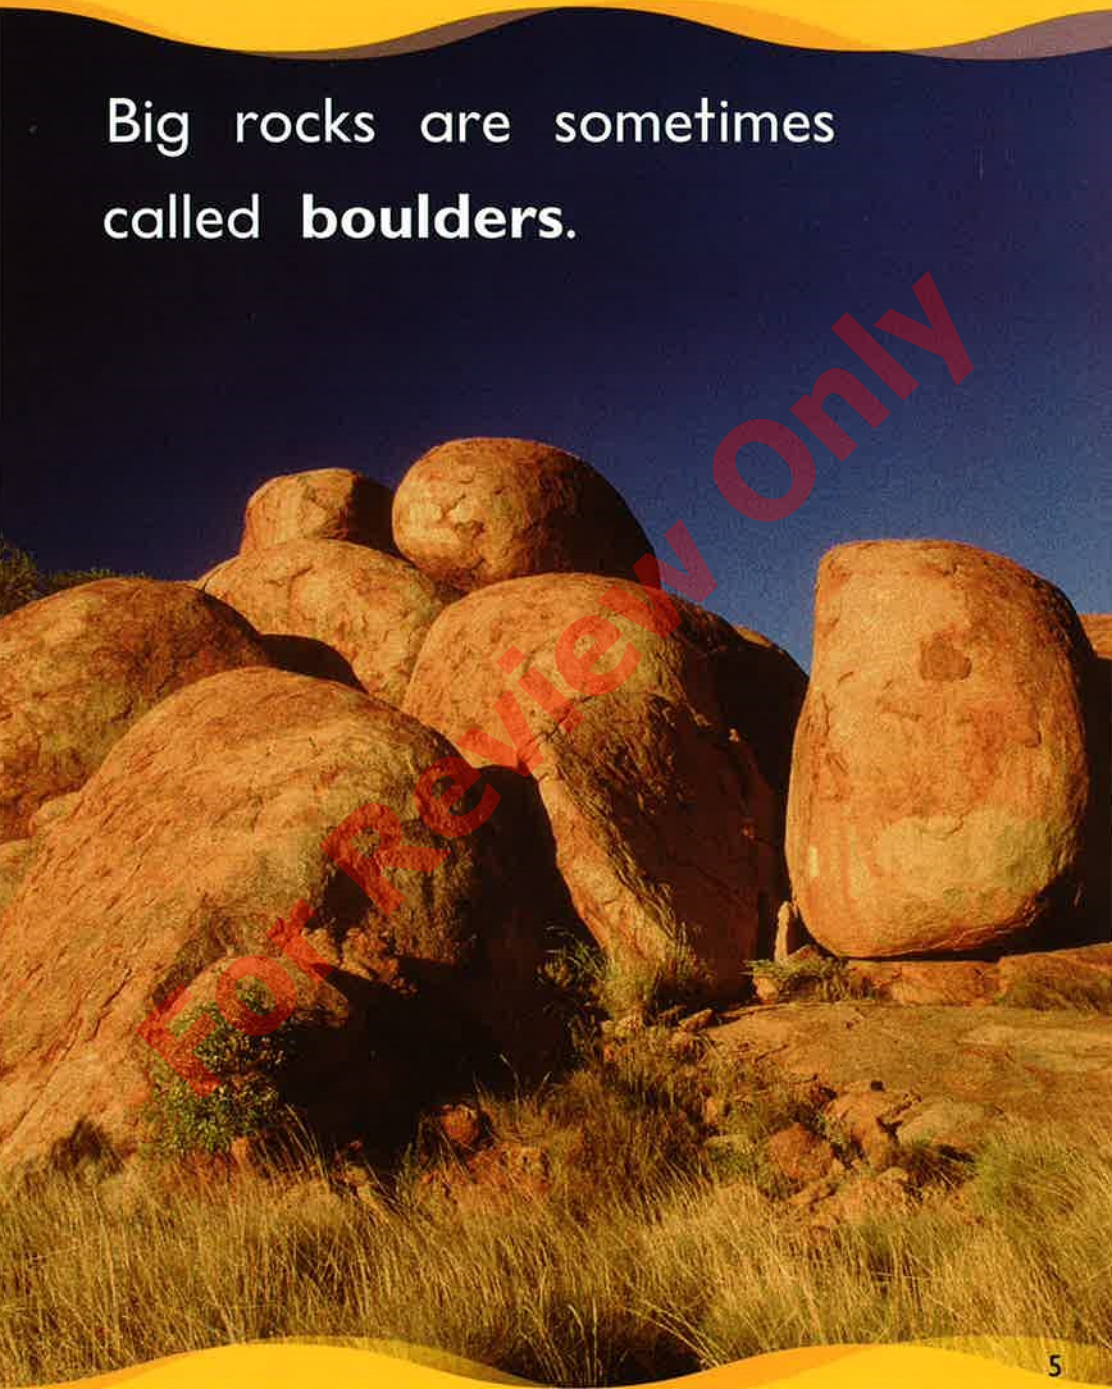

These big mountains are made of rock.

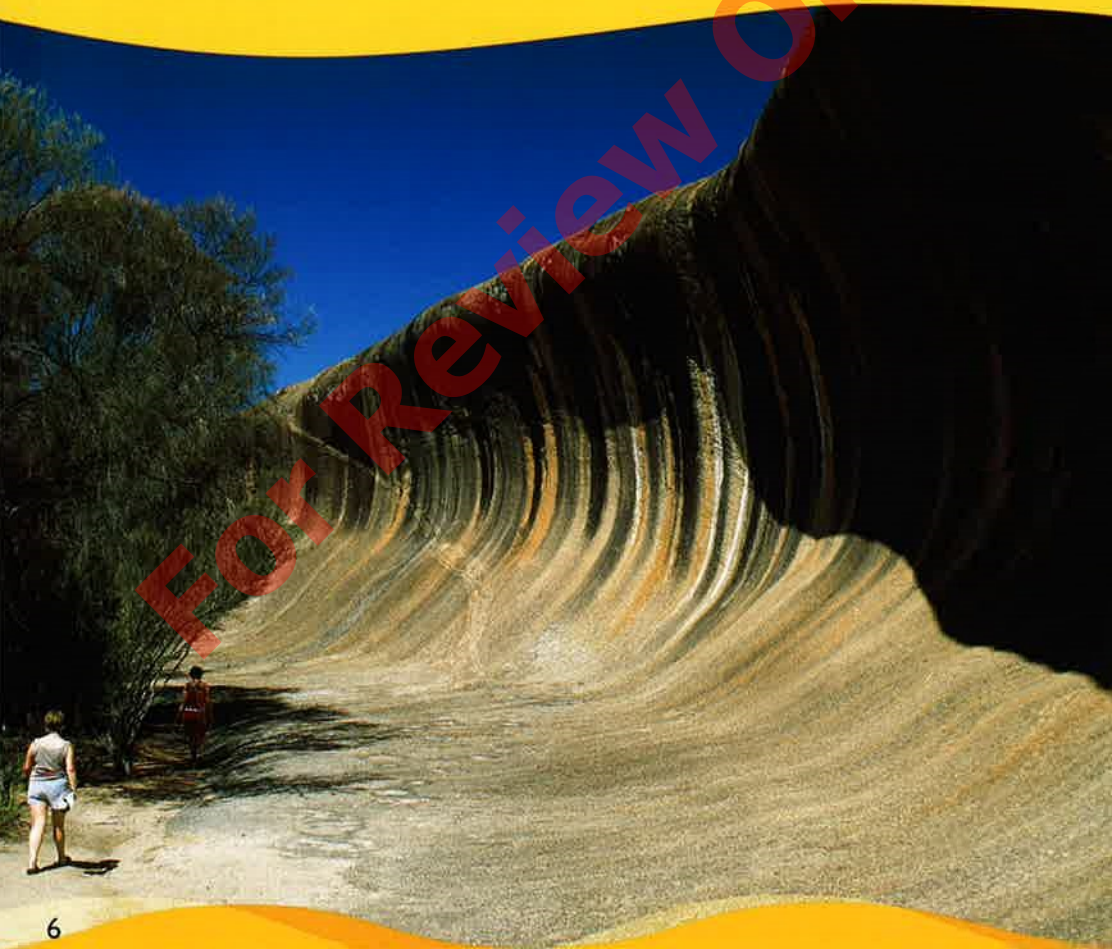

For Review Only

Big rocks are sometimes called **boulders**.

For Review Only

This old rock looks like a wave. People come to look at the rock.

For Review Only

Everyone likes
to look at this huge rock.
It turns red
as the sun goes down.
