Rainy Days

On rainy days,
we stay inside.
Rain falls from the clouds.
Sometimes it is cold
and windy, too.

For Review Only

We can look at the computer to find out about the weather.

Snowstorms

In some places,
it is very cold in winter.
Sometimes it is so cold
that it snows.
Lots of snow
can turn into a snowstorm.

For Review Only

It is dangerous
to go outside
in a big snowstorm.

Thunder Storms

Sometimes, we see big clouds in the sky.
Then we see some **lightning**.

After the lightning,
we hear thunder.
It is a thunder storm.
