Her foot **hurts**.

'I've got an idea.'

magic

This is a magician.
He does **magic**.

Verbs

Present

draw

swim

fall

Past

drew

swam

fell

CHAPTER ONE

The magic pencil

One day an artist was at sea. He started drawing. Then he dropped his pencil.

'No!' he shouted. 'My pencil is in the water! Now I can't draw.'

Down in Bikini Bottom, SpongeBob was with his friend Patrick. The two friends played together happily.

Suddenly something big dropped next to them. They were very frightened.

'What's that, SpongeBob?' asked Patrick.

'I think it's a big pencil,' said SpongeBob.

'Go and look!' said Patrick. 'I'm going to stay here behind the house.'

SpongeBob looked at it.

'Yes, it's a very big pencil,' he said. 'Let's draw some pictures.'

'What are you going to draw?' asked Patrick.
SpongeBob drew a picture and Patrick looked at the picture.

'That's good, SpongeBob. Oh look! Your drawing is moving!' he said.

'Patrick,' said SpongeBob. 'I think it's a *magic* pencil!'

'Wow! A magic pencil,' said Patrick. 'Draw some hair on me.'

SpongeBob drew some hair on Patrick. The two friends laughed.

'Oh look,' said Patrick. 'The hair is swimming away. Yes, it is magic!'

Squidward was in his house.

'I'm handsome,' thought Squidward, 'but I don't have any hair.'

Suddenly the magic hair swam into Squidward's house. It stopped on Squidward's head. Squidward was very happy.

'I've got hair,' he said. 'Now I'm very handsome!'
