CHAPTER ONE

'I want to be King!'

Prince Charming was a handsome man but he was horrible!

'I want to be King of Far Far Away,' he thought.

But he needed help to be King. So he went to see some fairy tale villains. They weren't nice people! They didn't like Prince Charming.

'My friends, listen to me!' said Prince Charming to the fairy tale villains.

'What do you want? We're not your friends!' they all shouted.

But Prince Charming needed their help. He had an idea!

Shrek and Fiona were with the Queen of Far Far Away.

'The King is not well,' the Queen said to them. 'You two must do the King's work.'

So they did the King's work. Shrek was not good at it!

Shrek had to wear the King's shirt and trousers. 'I don't like this, Fiona,' he said.

Shrek started a fire in the castle.

'Oh no, Shrek!' said Fiona.

'Sorry,' said Shrek.

Shrek and Fiona went to see the King. 'I'm dying,' the King said.

Fiona started to cry.

'Shrek, can you be the new King?' asked the King.

'Oh no!' thought Shrek. 'Ogres aren't good kings!' he said. 'Do you have an heir?'

'Yes. His name's Arthur,' said the King and then he died.

CHAPTER TWO

The next heir

The Queen and Fiona were very sad.

Shrek talked to his friends, Donkey and Puss In Boots. 'We must find Arthur,' he said. 'He's going to be King of Far Far Away.'

So the three friends went to find Arthur.

'Bye!' shouted Shrek from the ship.

'You're going to be a father, Shrek!' shouted Fiona.

'A father!' thought Shrek.
